

Appliance Solutions Distributors

Job Title: SALES INTERN

Job Type: PART TIME

Number of Positions Available: 2

Description:

The Sales Intern position is a paid internship to learn about the appliance business and the work of a Sales Associate in particular. The Sales Intern will observe and support the sales staff in their work, performing a wide range of tasks in the process. This internship is designed to be a part-time, temporary position, although there may be instances where the work flow may require more hours. At the conclusion of the internship (usually 3 – 6 months) the Intern may qualify for a Sales Associate position.

Qualifications: Good health and physical condition, the ability to lift 50lbs and walk 25 feet unaided, good oral and written communication skills, valid California drivers license in good standing.

Starting Pay: \$ 8.00 per hour

Days Needed: Monday-Saturday flexible scheduling. Store open from 9:00am to 6:00pm
